

Is your organization ready to endorse the Pathways Measures of Success and the Pathways Action Framework? Endorsing means that you recommend that Pathways serve as a foundation for building North Carolina's state and local birth-through-eight system work and agree that the actions, if well-implemented, can improve children's third grade reading and well-being outcomes.

Please note your name and your organization's name below to endorse Pathways.

Pathways Action Council Recommendations

Who do you think should join the Pathways Action Council? Recommend yourself and/or colleagues who are taking action in the areas prioritized in the Action Framework by Pathways Partners. Who is doing innovative work? Who is in the know about all the good work going on around the state on these issues? Racial and ethnic diversity is critical. You may recommend organizations or individuals, and recommending people does not commit them to join.
